AT THE GOVERNMENT HOUSE AT OTTAWA.

The 5th day of July, A.D. 1890.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Minister of Inland Revenue, and under the provisions of Chapter 104 of the Revised Statutes of Canada, intituled "The Weights and Measures Act,"—

His Excellency in Council has been pleased to order, and it is hereby ordered, that the following regulations for the governance of the inspection of weights and measures be, and the same are hereby made and established :—

REGULATIONS RESPECTING WEIGHTS AND MEASURES.

Section 1. The following balances are to be admitted to verification :—

A. Balances having equal arms, and on which the load is suspended below the fulcrums.
B. Balances commonly known as steelyards, or Roman balances, having unequal arms.
C. Weigh-bridges.
D. Balances with equal arms, and on which the load is placed above the fulcrums.
D 1. Hydrostatic balances for weighing coal.
D 2. Perfection scales.
D 3. Duplessis portable track scales.
D 4. Household scales.
D 5. Spafford improved platform counter scales.

Sec. 2. A. Balances with equal arms are only to be admitted to verification when :—

1. The beam shows no material difference as regards the form or magnitude of the two arms.

2. It is provided with a tongue pointing upwards or downwards from its centre, at right angles with a line joining the extreme bearings, or with some equivalent arrangement for indicating the position of the equilibrium.

3. It is in equilibrium when a line joining the extreme bearings is perfectly horizontal, and returns to that position after being put into vibration.

4. Its arms are equal within the specified limit of error.

5. The balance is sufficiently sensitive to be turned decidedly and promptly by the addition or withdrawal of so much of the load as represents the error tolerated by regulations in a commercial weight representing the load.

6. No balance balls or detached parts other than the pans and connections necessary for attaching them to the beam are used for adjusting the balance.

7. The balance, as a whole, is of sufficient strength, and on a sufficiently stable base, to secure it against change of form or position under the maximum load it is to carry.

8. The beam will carry its maximum load without deflection.

9. The maximum load for the weighing of which it is to be used is distinctly engraved or marked on the beam.

10. The knife edges are permanently fixed to the beam.

Sec. 3. B. Balances commonly known as *steelyards* or Roman balances, having unequal arms, are only to be admitted to verification when :—

1. There is sufficient room for oscillation, and the knife edges on which the beam oscillates are sufficiently fine to permit it to move freely.

2. The beam is sufficiently strong to carry its load without deflection.

3. The bottom of the notches by which the divisions of the long arm of the lever are indicated, and from which the weight is suspended, are in close approximation to a right line drawn through the knife-edges forming the points of suspension, and when such straight line passes near to and a little above the centre of gravity of the whole apparatus.

4. The divisions on the long arm of the lever are equal among themselves.

5. The weight used with the lever—if it is changeable or can be readily detached therefrom—is some multiple or sub-multiple of the pound avoirdupoids, and has distinctly marked on it its true weight.

6. The maximum weight intended to be weighed on it is either distinctly marked on the beam or indicated by its construction.

Sec. 4. C. Weigh-bridges, hay scales and platform scales will only be admitted to verification when :—

1. The foundation or supporting base is sufficiently firm, and capable of carrying without change of level or of form or other disturbance, the maximum load for which it is to be used.

2. If movable from place to place, some satisfactory arrangement, such as a level or plummet, is provided and permanently attached, for indicating whether the machine is perfectly level.

3. The platform is so arranged that any obstruction to its free movement can be easily detected.

4. All the beams, levers and other parts are of sufficient strength to carry the maximum load to which they will be respectively subjected without deflection.

5. The knife-edges are firmly and permanently fixed in the levers, have sufficient room to permit free oscillation, and are sufficiently firm.

6. The knife-edges and fulcrums of each set of levers are in the same plane.

7. The oscillations are sufficiently evident.

8. The weights used with the instrument are equal to the avoirdupois pound, or to multiples or authorized sub-multiples of the avoirdupois pound, or special weights for the barrel of flour or for the bushel of wheat, their actual weight and the weight or special quantity they are intended to indicate on the scale being plainly marked thereon.

9. The weights used as above are a decimal sub-multiple, as $\frac{1}{10}$, $\frac{1}{100}$, $\frac{1}{1000}$, or a binary sub-multiple as $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$, &c., of the load indicated by them.

10. There are no detached parts for the adjustment of the balance accessible, or so placed that they can be used for fraudulent weighing.

11. The apparatus indicates the same weight, whether the load is placed in the centre of the platform, on one side of it, or at either corner.

12. The maximum load which the apparatus is intended to weigh and the maker's name and shop number are conspicuously cast, engraved or stamped on some essential part of it.

### *Platform Scales, Weigh-bridges, and Balances with Unequal Arms.*

Sec. 5. All these weighing machines will be rejected:

1. When with a full load, and truly balanced, the movement of the lever-weight one "notch" or division on the graduated lever, in either direction, does not cause the lever to turn decidedly in accordance with such movement.

2. When, with a full load, or with any less load, and with the balance in equilibrium, the addition or removal of one two-thousandth part of the load, to or from the load, does not turn the lever decidedly in accordance with such addition or removal.

3. When the maker's name, shop number and maximum capacity are not legibly cast, engraved or stamped on them. And when the knife-edges are not made of properly tempered steel, and the bearings of the same material or of chilled or case hardened malleable iron. (This clause applies as well to balances with equal arms, but shall in all cases apply only to original verification.)

4. When unprovided with check-rods to hold the bearings in place. *

Sec. 6. D. Balances with equal arms, and on which the load is carried above the fulcrums, will only be admitted to verification when:—

1. There are no material difference as to the magnitude or arrangement of the two arms.

2. Its arms are of equal length within a limit of error equivalent to that tolerated in commercial weights.

3. There are no balance balls, loose counterpoises or detached parts other than the pans necessary for carrying the load weighed, and the weights used for weighing it.

4. Its parallel rods, guides, levers and pivots, by which the adjustment of the scale is affected, are so constructed that they cannot be put out of adjustment without the use of violence, which may be readily detected on inspection.

5. The knife edges or fulcrums of each set of levers or guide-rods are in the same plane.

6. The balance is sufficiently sensitive to turn decidedly and promptly by the addition and withdrawal of so much of the load as is equivalent to the error tolerated in commercial weights.

7. When there is a tongue or pointer, or some equivalent arrangement for showing when the balance is in equilibrium.

D1. Weighing machines known as "hydrostatic balances," being such as are commonly used for determining the weight of coals delivered at the pit mouth, may be verified for use for such purposes, and also for weighing coals as delivered from vessels and barges, provided they give true indications within one two-hundredth part of the load.

D 2. Weighing machines known as "Perfection Scales," when manufactured in accordance with specifications deposited in Patent Office at Ottawa, may be admitted to verification when found to weigh correctly.

D 3. Weighing machines known as "Duplessis Portable Track Scales" used for determining the weight of cars on railway tracks may be admitted to verification for use for such purposes, provided they give indications within one four-hundredth part of the load.

D 4. A weighing machine known as the "Household Scale," a balance with equal arms to carry a load above the fulcrums of not more than ten (10) pounds in each pan. In its construction and verification it must in every respect comply with the requirements of Paragraph D, above. The words "Household Scale" must be engraved or stamped in bold legible letters of not less than one-fourth of an inch in height, on some conspicuous part of each scale so that at a glance its classification may be known. This scale shall be used for household purposes only, and should any such scale be found in use for trade purposes of any description it shall be seized and confiscated by an inspecting officer, and the fee for the verification of the above described "Household Scale, D 4," shall be ten (10) cents for each scale.

D 5. A scale known as the "Spafford Improved Platform Counter Scale," and all scales of similar construction as regards the scoop counterpoise, are also added to the schedule of scales to be admitted to verification.

No balances other than such as will come within the conditions under one or other of the heads, A, B, C or D, are to be verified or stamped.

### *Weights and Measures—Regulations.*

Sec. 7. E. Verification and stamping of weights, measures and weighing machines on the premises of the manufacturer, and their removal therefrom.

1. The article shall bear the name of the maker, capacity and consecutive shop-number or other marks whereby it may be designated for identification, with the certificate of verification.

2. The verification and stamping must take place before the articles are packed for removal, and at that state of completion at which they are finally adjusted by the manufacturer.

3. For the first verification and stamping of weights, measures and weighing machines at the place where they are manufactured, the fees may be paid at once, or payment may be postponed for such period not exceeding three months as the Minister of Inland Revenue may authorize. Sufficient security being taken for the payment thereof at the time stated in the Departmental Regulations under which the delay is granted.

Sec. 8. F. Weights, measures and weighing machines imported into Canada are to be dealt with as follows:—

1. The Collector of Customs at the port where such articles are imported will notify the nearest inspector or assistant inspector of weights and measures of the entry for consumption of any weights, measures or weighing machines at his port, which notice will state the number and description of such articles as are invoiced, and the names and residence of the parties to whom they are delivered.

2. So long as such articles remain in the original packages they may be removed from the Custom house or from a Customs warehouse to the premises of the importer without inspection.

Sec. 9. G. Nothing in these regulations, nor in any previous regulations is to be construed as preventing the importation, manufacture or removal of and setting up, before they are verified, of dormant* scales or weigh-bridges of any description, coming within the requirements of the law, but which cannot be used nor properly verified until they are placed on a fixed foundation. But it shall be the invariable duty of the manufacturer or importer of such weighing machines to duly notify the inspector of weights and measures nearest to his place of business, of the shipment and destination of each of such articles; and said manufacturer or importer shall be held responsible for its verification before being used for trade purposes.

Any trader not being a manufacturer of, or dealer in, such weighing machines, who imports such articles for his own use, shall be considered an importer, and therefore subject to the above regulations.

Sec. 10. H. 1. Iron weights of the denomination of half a pound or under may be admitted to verification, provided they are of such substance that a soft metal plug on which the stamp may be impressed, can be securely fixed therein, and when such soft metal plug is so fixed in them by the parties who present them for verification; but,—

2. When any iron weight is presented for verification, or when any such weight is found in use from which a soft metal plug has been lost, it shall not be adjusted or restamped until the hole in which the plug was inserted has, in the presence of the Inspector, been enlarged at the bottom, so that the expansion of the lead used for adjusting it will prevent it subsequently falling out.

---

* Note.—Nothing in the above 4th section shall apply to weighing machines constructed on the *Howe* principle.

* The term "*dormant*," shall be understood to cover only such weighing-machines as weigh-bridges, hay and track scales, or such weighing-machines only as require to be placed on a specially prepared foundation

I. (By Order in Council of 7th June, 1890, Clause I of the Order in Council of the 22nd day of July, 1886, and Section 15 of Chapter 42 of the Consolidated Orders in Council dated 9th January, 1889, admitting Grain Testers to verification, are cancelled.)

Sec. 11. J. Salt carts, each to contain four imperial bushels, constructed, as to form and dimensions, in accordance with plan or drawing of the same to be attached to weights and measures regulations, shall be admitted to verification.

2. Salt carts made in any other form or according to other dimensions than the foregoing will not be admitted to verification, and consequently their use for trade purposes will be held to be illegal.

3. The fee chargeable for verifying and stamping each salt-cart shall be one dollar.

### II. ILLUMINATING APPARATUS OF ST. LAURENT LIGHTHOUSE.

On the 12th May last, the illuminating apparatus at St. Laurent (Point St. Lawrence) light-station on the Island of Orleans, River St. Lawrence, below Quebec, which had previously been catoptric, was changed to dioptric, a lens of small size having been set up in the lantern. The light in other respects is unaltered, and will be, as heretofore, fixed white.

This notice affects Admiralty Charts Nos. 310, 317 and 2516, and the Canadian List of Lights No. 65*a*.

Note.—Hereafter the light-station at Point St. John (No. 65) will be known as St. Jean light-station, and that at Point St. Lawrence (No. 65*a*.) as St. Laurent light-station, so as to make the names conform to the nomenclature of the latest Admiralty publications.

## NOTICE TO MARINERS.

### No. 33 of 1890.

### TRACADIE RANGE LIGHTS.

In consequence of the formation of sand spits and banks in the alignment of the range lights at Tracadié, Grand Tracadie Harbour, in Queen's County, on the Gulf coast of Prince Edward Island, it has become necessary to discontinue the lights as usually shown from the established towers, which must not be used as marks to enter either upon the bar or in the harbour channel.

Two temporary range lights, consisting of lanterns hoisted on masts, have been established on the western side of the harbour. The masts stand on the sand hills, the front one being 12 and the back one 18 feet high. The alignment shows the best water over the bar.

The present channel is crooked and unreliable, and vessels drawing more than 5 feet water should not attempt to enter the harbour without a pilot.

This notice affects Admiralty Charts Nos. 2034 and 2666 and Canadian List of Lights No. 324.

This notice affects Admiralty Charts Nos. 2034 and 2666, and the substance of it should be inserted in the Canadian List of Lights and Fog Signals under the No. 310*a*.

## DÉPÊCHES.

*Les Règlements qui suivent ont été transmis afin qu'ils soient publiés en Canada.*

AMIRAUTÉ, 25 janvier 1890.

### RÈGLEMENTS

Concernant l'admission d'étudiants-ingénieurs dans la marine de Sa Majesté et d'étudiants en construction navale dans les arsenaux de Sa Majesté à Devonport.

(Les étudiants-ingénieurs sont dressés pour service à bord comme officiers-ingénieurs.)

(Les étudiants en construction navale sont dressés en vue de leur entrée dans le corps royal de constructeurs navals.)

1. Les vacances parmi les étudiants-ingénieurs dans la marine de Sa Majesté seront remplies principalement au moyen d'examens de concours ouverts à tous fils de sujets britanniques, de l'âge voulu et de bonnes mœurs, mais Leurs Seigneuries se réservent le droit de nommer un petit nombre de candidats à chaque entrée lesquels seront admis s'ils passent l'examen spécifié au paragraphe 11.

Les candidats à nommer le seront par le Bureau de l'Amirauté parmi les fils d'officiers de l'armée, de la marine ou armée de marine qui ont été tués dans un engagement, ou qui ont été perdus en mer en service actif, ou tués en devoir, ou qui sont morts de blessures reçues dans un engagement ou de blessures reçues en devoir dans les six mois à dater de cet engagement ou cette blessure ; ou parmi les fils d'officiers de la marine ou de l'armée de marine qui ont servi longtemps et avec distinction.

Le nombre à nommer ainsi n'excèdera pas un cinquième du nombre total des étudiants-ingénieurs à admettre. Sauf quant à l'exemption de l'examen de concours, ces candidats seront soumis sous tous rapports aux présents règlements.*

Trois brevets d'étudiants-ingénieurs seront donnés annuellement à des fils de gentilshommes dans les colonies sur la recommandation du Secrétaire d'Etat pour les Colonies, pourvu qu'ils passent l'examen requis. Ces candidats seront sujets aux mêmes règlements que les candidats de service nommés.*

2. Le nombre des admissions qui seront faites chaque année, sera fixé par Leurs Seigneuries.

3. La liste des candidats pour ces admissions par concours public sera gardée au bureau du commissaire du Service Civil. Toutes demandes de formules à remplir par les personnes désirant concourir doivent être envoyées au "*Secretary, Civil Service Commission, London, S.W.*, le ou après le premier de janvier de chaque année, et il faut veiller à ce que les formules une fois remplies soient renvoyées de manière qu'elles parviennent aux Commissaires du Service Civil le ou avant le 15 mars suivant, vu que les formules reçues après cette date seront mises de côté. La liste des candidats nommés sera gardée à l'Amirauté.

4. Les candidats ne devront pas être âgés de moins de quatorze ni plus de seize ans le premier jour de mai de l'année dans laquelle ils sont examinés.

5. Des certificats d'âge et de mœurs ne seront pas exigés avant l'examen, mais les candidats heureux ne seront éligibles pour admission qu'après avoir fourni des preuves sous ce rapport aux Commissaires du Service Civil.

6. L'examen médical des candidats heureux aura lieu sous le contrôle de Leurs Seigneuries aussitôt que possible après que le résultat de l'examen sur l'éducation aura été connu. Nul candidat ne sera inscrit comme étudiant-ingénieur à moins d'être certifié capable physiquement. Les candidats dans ou près de Londres seront examinés par le directeur général médical de marine à l'Amirauté. Ceux qui résident près d'un des chantiers de Sa Majesté, ou un des vaisseaux de la première réserve, ou vaisseaux-écoles de la réserve de la marine royale, ou le vaisseau-amiral à Queenstown, seront examinés par l'officier médical y attaché. L'examen médical sera conduit sous tous rapports strictement en conformité des instructions pour l'examen des personnes désirant entrer dans le service naval. Tous les candidats lors de leur examen médical devront prouver à la satisfaction des officiers examinateurs qu'ils ont été revaccinés, ou bien ils devront être revaccinés avant qu'ils puissent être considérés éligibles pour entrer dans la marine de Sa Majesté.

7. L'examen sur l'éducation sera tenu par les commissaires du service civil à Londres, Liverpool, Portsmoth, Devonport, Bristol, Leeds, Newcastle-on-Tyne, Edimbourg, Glasgow et Dublin, et auront lieu dans le mois d'avril chaque année. On pourra s'assurer de la date exacte en s'adressant au Secrétaire, Commission du service civil, le ou après le premier janvier de chaque année.

Tous les candidats seront éprouvés sur leur capacité de lire à haute voix, clairement, distinctement et correctement, et sans hésiter. Tout bégaiement ou autre défaut dans la prononciation sera censé être une cause de renvoi.

9. Un honoraire de un chelin sera exigé de chaque candidat se présentant à l'examen.

10. Les candidats dans l'examen de concours qui manquent sur les quatre premiers sujets (ceux marqués d'un astérisque *), ou dans la lecture à haute voix, seront renvoyés, et les autres papiers ne seront pas examinés. Les candidats heureux seront inscrits comme étudiants-ingénieurs dans la Marine de Sa Majesté, selon le nombre d'admissions qu'il sera décidé de faire chaque année ; ils seront pris à tour de rôle sur la liste d'examen. Les candidats qui obtiennent moins de 880 points en tout ne seront pas inscrits sur la liste.

11. Les candidats qui sont nommés par Leurs Seigneuries, et par le Secrétaire d'Etat pour les Colonies, seront obligés de passer le même examen d'épreuve dans les premiers quatre sujets et la lecture à haute voix, que les candidats qui se présentent à l'examen de concours. Ils seront aussi examinés sur les autres sujets afin de s'assurer de la somme de leurs connaissances et afin de fixer leur ordre de mérite, et nul candidat dont le chiffre collectif de points est de moins de 880 ne sera admis comme étudiant-ingénieur.

12. Les candidats seront informés par une lettre de la Commission du Service Civil, du résultat de leur examen, aussitôt que ce résultat sera connu.

13. Les candidats heureux seront inscrits comme étudiants-ingénieurs dans la marine de Sa Majesté, vers le 1er juillet de chaque année et seront portés sur les livres du vaisseau de garde de la réserve à Devonport, pour des fins de discipline. La période d'étude à l'arsenal de Sa Majesté à Devonport sera de cinq ans, mais elle sera réduite à quatre ans dans le cas des étudiants-ingénieurs du dernier service qui passent les examens décrits au paragraphe 29, clause 1, et passent aussi d'une manière honorable dans le Travail pratique, les sujets professionnels et la connaissance des devoirs de la chambre des machines mentionnés au paragraphe 32.

14. Les étudiants en construction navale au nombre de deux seulement par année seront choisis parmi les étudiants-ingénieurs qui ont fait preuve de capacité spéciale à la fin de leur troisième année de service. Les étudiants en construction navale doivent conjointement avec leurs parents ou tuteurs, fournir un cautionnement de 500*l.* d'entrer, s'ils en sont requis, au service de Sa Majesté comme aides-constructeurs, si, à l'expiration de leur cours ils obtiennent des certificats de bonne conduite et d'efficacité pour entrer dans le services. Ils continueront sous la discipline navale jusqu'à leur entrée comme aides-constructeurs. (*Voir* paragraphe 45.)

Un aide-constructeur n'aura pas la permission de quitter le service avant l'expiration de sept ans après qu'il a complété son terme au Collège Royal de Marine à Greenwich, à moins de payer la somme de £500. Le paiement de cette somme est dans le but de défrayer les frais encourus par le public pour son éducation.

15. Les étudiants en construction navale complèteront cinq ans de service à Devonport, dans l'Ecole de préparation pour les étudiants-ingénieurs, et seront assujétis aux mêmes conditions quant aux honoraires, solde, uniforme et autres détails que ceux prescrits de temps à autre pour les étudiants-ingénieurs. Leur cours d'instruction sera spécifié de temps à autre. (*Voir* paragraphes 40 à 48.)

16. Le parent ou tuteur de chaque étudiant-ingénieur inscrit sera tenu de payer la somme de £40 par année (*voir* paragraphes 30 et 31) pour chaque année que l'étudiant restera à l'école—quatre, cinq ou six ans selon le cas. Les lords commissaires de l'Amirauté auront la faculté, toutefois, de choisir, parmi les étudiants inscrits à chaque examen annuel, un nombre, n'excédant pas cinq, étant fils d'officiers de la marine, de l'armée de terre, ou de l'armée de marine, ou des officiers civils sous le Bureau de l'Amirauté, au sujet desquels le paiement annuel ne sera que de £25 seulement. Leurs Seigneuries se réservent aussi le pouvoir de réduire encore cette dernière somme dans le cas de fils d'officiers tués ou noyés, ou qui de toute autre manière ont perdu la vie en service. En faisant leur choix, Leurs Seigneuries ne considéreront que les circonstances pécuniaires des parents ou tuteurs des étudiants.

17. Les paiements seront faits semi-annuellement, à l'avance, au caissierde l'arsenal de Sa Majesté à Devonport, le premier paiement sera fait le ou avant le 1er de juillet, date de l'inscription de l'étudiant, et les autres paiements le ou avant le 1er de janvier et le 1er de juillet. Si un étudiant pour une cause quelconque quitte le service ou en est renvoyé, nulle partie des paiements faits pour lui ne sera remboursée.

18. Les parents ou tuteurs des étudiants seront aussi requis de procurer l'uniforme (*voir* paragraphe 51) ou autres vêtements, blanchissage et choses nécessaires de chaque étudiant. L'Amirauté fournira la pension, le logement et les soins médicaux. Les étudiants seront tenus de résider dans l'école de préparation à Keyham.

19. La paie hebdomadaire des étudiants pendant leur cours sera comme suit, à condition qu'ils aient de bonnes notes des officiers :—

20. Un congé de cinq semaines (30 jours ouvrables) avec pleine paie sera accordé chaque année à tous les étudiants dont la conduite et les progrès auront donné satisfaction. Ce congé sera pris pendant les vacances de la mi-été et de Noël.

21. Les étudiants ne perdront pas de paie lorsque en congé, ou lorsque blessés en devoir. Lorsqu'ils sont malades ou sont envoyés à l'hôpital pour des causes en dehors de leur contrôle, leur paie ne sera retranchée que s'ils sont absents six mois en tout dans toute période de douze mois. A l'expiration de ce temps un rapport spécial de chaque cas sera fait à Leurs Seigneuries. Si la maladie provient de causes sous leur contrôle leur paie sera retranchée. Si après douze mois d'absence pour cause de maladie ou de blessure les étudiants sont rapportés comme permanemment ou vraisemblablement incapables d'entrer au service de Sa Majesté comme aides-ingénieurs ou aides-constructeurs, ils seront congédiés. Si, dans le cours de son apprentis age, il se développe chez l'étudiant quelque incapacité physique qui le rende impropre au service, il sera congédié.

22. Les étudiants seront sous la surveillance du surintendant de l'arsenal et d'un corps d'officiers, et soumis aux règles et règlements que Leurs Seigneuries jugeront nécessaires.

23. Les étudiants recevront une instruction pratique dans les ateliers et seront mis au fait de la construction des navires en fer à l'arsenal de S. M. à Devonport. Tandis que les étudiants-ingénieurs étudient la construction des navires en fer ils seront sous la direction du constructeur-chef. Ils assisteront aux écoles de l'arsenal pendant les périodes, et suivront les études qui seront fixées de temps à autre ; ils passeront aussi une partie de leur temps dans le bureau de dessin. Il leur sera fourni les moyens d'acquérir les bases fondamentales des connaissances requises d'un ingénieur naval au sujet des machines et chaudières de marine, y compris les réparations qui peuvent être faites en mer, l'usage pratique des divers instruments employés dans la chambre de la machine, aussi de la construction et fonctionnement du mécanisme de l'éclairage électrique, des torpilles et des canons, et de connaître généralement les devoirs d'un ingénieur naval.

24. Les étudiants seront examinés une fois par année sous la direction du président du Collège Royal de Marine, Greenwich.

## ORDRES EN CONSEIL.

### HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 30e jour de juin 1890.

PRÉSENT :

### SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plait à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des travaux publics," chapitre 36 des Statuts Revisés, et par et avec l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner que les règlements suivants pour l'usage des glissoires à bois et autres travaux du gouvernement construits pour faciliter la transmission du bois de construction, du bois de service et des billots de sciage sur la rivière Ottawa et ses tributaires, soient et ils sont par le présent faits et établis, et que les péages et droits ci-après mentionnés soient et ils sont par le présent autorisés, imposés et établis ; ces péages et droits remplaceront tous les péages et droits ci-devant imposés au sujet de ces travaux.

JOHN J. McGEE,
Greffier du Conseil privé.

### RÈGLEMENTS.

Afin de rendre uniforme l'application des droits, tous bois de construction et bois de service seront, sauf dans les cas spécialement prévus par le dit tarif ou quelque modification du dit tarif, classifiés comme suit :—

(*a*.) Le bois carré et en déclin ou à planche sera désigné bois carré, et sera imposé à tant par cage (crib), et dans le cas où du bois de cette description passe par aucun des travaux autrement qu'en cages, un nombre de pièces suffisant dans l'opinion du percepteur ou d'un député dûment autorisé par lui pour faire une cage d'une grandeur ordinaire (ne devant pas toutefois excéder mille pieds cubes) sera compté pour une cage.

(*b*.) Le bois rond, de 12 à 16½ pieds de longueur, communément appelé "bois de sciage," sera imposé à la pièce ou, lorsqu'il n'y est pas pourvu par le tarif ou aucun amendement qui y sera subséquemment apporté, alors soixante billots de sciage seront censés équivaloir à une cage de bois de construction et paieront en conséquence.

(*c*.) Le bois plat, rond ou en partie ébauché, d'un diamètre moyen de moins de 13 pouces d'une écorce à l'autre, paiera, lorsqu'il est mis en cages la moitié des taux du bois carré, et lorsqu'il est flotté en pièces détachées, chaque pièce paiera le taux d'un billot de sciage.

(*d*.) Le bois plat, rond ou en partie ébauché d'un diamètre moyen de 13 pouces et plus d'une écorce à l'autre (communément appelé bois de dimension) sera calculé en billots de sciage de 15 pieds de longueur et paiera en conséquence.

(*e*.) Les traverses de chemins de fer de huit pieds de longueur et au-dessous seront calculés au taux de cinq par billot de sciage et paieront en conséquence.

(*f*.) Les autres articles en bois seront, à la discrétion du percepteur, imposés aux taux proportionnels qui seraient imposables en vertu des présents règlements sur la classe d'effets qu'ils ressemblent le plus.

(*g*.) En calculant le bois scié, cent cinquante pieds en superficie mesure de planche seront censés équivaloir à un billot de sciage.

2. Nuls bois de construction, billots de sciage, bois de service ou autres articles de bois ne seront transportés au delà d'un rayon de trois milles plus bas que le pont suspendu des Chaudières, à moins que le paiement des péages et droits sur ces bois n'ait d'abord été fait ou garantie à la satisfaction du percepteur des péages et droits ; et tous tels articles ainsi enlevés sur lesquels les dits péages et droits restent impayés pendant 24 heures après qu'ils ont été déplacés, pourront être détenus par le percepteur en vertu du quatrième article de l'acte précité, et le percepteur devra de suite en faire rapport au ministre des Travaux Publics et pourra retenir ces articles jusqu'à ce que les droits de glissoires et tous les frais et dépenses aient été payés, à moins qu'il n'en soit autrement ordonné.

3. Le propriétaire ou la personne en charge du bois de construction, des billots de sciage, ou autres articles de bois lorsqu'il fait usage d'aucune des glissoires, estacades, barrages ou autres travaux dans la rivière, fera un rapport de ces articles au sous-chef des glissoires ou personne en charge des constructions, indiquant le nombre des cages (si ce bois est en cages) et, s'il en est requis, le nombre et les dimensions moyennes de chaque classe, et il signera et délivrera au sous-chef des glissoires ou personne en charge des constructions, un écrit en double nommant le propriétaire des articles et les glissoires ou autres travaux par lesquels ils sont passés, et pour toute infraction du présent article il encourra une amende de dix pour cent en sus du montant des péages et droits d'ailleurs imposables, cette amende ne devant pas excéder en tout quatre cents piastres.

4. Chaque propriétaire de scierie ou personne en charge d'une scierie, ou l'exploitant, et chaque autre personne commerçant sur le bois de construction, les billots de sciage, le bois scié ou autres articles de bois, fournira au percepteur des péages et droits le ou avant le trentième jour de septembre de chaque année un état attesté sous serment ou déclaration solennelle en vertu du statut à cet effet et sur une formule imprimée qui sera fournie par le percepteur sur demande, indiquant les détails sous-mentionnés quant à tous tels articles fabriqués ou acquis par lui, sauf le bois carré envoyé en radeaux à Québec dans le cours de la saison d'opérations précédente et jusqu'à la dite date ou depuis la fin de la période comprise dans son dernier rapport en vertu du présent article ou du suivant,—et le ou avant le 15e jour de novembre de chaque année un semblable état quant à tous tels articles fabriqués ou acquis par lui subséquemment au 30e jour de septembre ou date du précédent état. Ces états ou rapports donneront une description détaillée de tous articles qui y sont compris et énonçant les détails suivants :—

S'ils ont été fabriqués par la personne qui fait le rapport ou ont été achetés par lui d'autres personnes, et s'ils ont été fabriqués par lui-même le nom du contremaître employé, et s'il les a achetés, le nom du vendeur ;

La rivière ou cours d'eau d'où ils viennent ;

Où sont ces articles à la date du rapport ;

Les glissoires, estacades ou autres travaux où ils ont passé ;

Aussi près que possible leurs longueur et diamètre moyen (à l'exception des billots de sciage et du bois carré) et tels autres détails qui seront requis par la formule imprimée de rapport que fournira le percepteur.

Toute personne qui enfreint le présent article encourra et paiera, sujet à la limitation établie par l'article trois du dit acte, une amende de dix piastres par jour pour chacun des premiers trente jours de cette infraction, et pour chaque jour en suivant une amende de vingt-cinq piastres.

5. Le percepteur des péages et droits pourra en tout temps demander de toute personne tenue de faire rapport en vertu de l'article précédent, un état indiquant les effets alors en possession de cette personne ou les articles fabriqués ou acquis par elle depuis la date de son dernier rapport, et chaque état en vertu du présent article énoncera par rapport à ces effets ou articles ainsi fabriqués ou acquis, tous les détails mentionnés dans l'article immédiatement précédent, ou tels détails qui pourront être spécifiés dans la demande ; et tout rapport demandé en vertu du présent article sera fait dans les cinq jours qui suivront la demande, sujet aux mêmes amendes pour défaut que celles prescrites dans le quatrième article des présents règlements.

6. Si le percepteur des péages et droits est d'opinion qu'un rapport exigé par l'un ou l'autre des deux articles qui précèdent est incomplet sous quelque rapport, il pourra demander à la personne qui le produit de l'amender ou de le corriger, et si cette personne manque de se conformer à cette demande dans les cinq jours suivants elle encourra et paiera les mêmes amendes que celles prescrites dans le quatrième article des présents règlements.

7. Les droits et péages sur toutes les glissoires et travaux porteront intérêt au taux de sept pour cent par année à compter du trentième jour de novembre de l'année dans laquelle ils sont devenus dus, sans préjudice du droit de la couronne de contraindre paiement à toute date antérieure après que les travaux ont été employés.

8. Afin de faciliter le règlement et la perception des revenus, le percepteur des droits de glissoires pourra prendre des billets à ordre à son propre nom, ou des obligations au nom de la Reine pour le montant dû pour péages et amendes en vertu des présents règlements ; mais ces billets ou obligations n'affecteront en aucune manière le privilège de la couronne, ni seront une exception au droit de saisie et de détention que donne la loi.

## HOTEL DU GOUVERNEMENT À OTTAWA,

Mardi, le 1er jour de juillet 1890.

PRÉSENT :

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plait à Son Excellence, en vertu de l'autorité qui lui est conférée par le 2e article de l'acte 52 Victoria, chapitre 23, intitulé " Acte modifiant de nouveau l'Acte d'inspection des bateaux à vapeur, chapitre 78 des Statuts Revisés," et par et avec l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner que les articles suivants des Règles et Règlements concernant l'inspection des chaudières des bateaux à vapeur, établis par l'arrêté en conseil du 17e jour de septembre 1889, savoir, les articles 44 et 45, et les articles 92 à 102, ce dernier article étant compris, soient et ils sont par le présent rescindés, et que les règles et règlements suivants relatifs aux soupapes de sûreté qui s'accordent en pratique avec les règlements en vigueur dans le Royaume-Uni, soient et ils sont par le présent substitués aux dits règlements.

JOHN J. McGEE,
Greffier du Conseil privé.

## RÈGLEMENTS CONCERNANT L'INSPECTION DES SOUPAPES DE SURETÉ.

44. (*a.*) Après que les règlements seront devenus exécutoires, chaque chaudière faite ou placée à bord d'un bateau à vapeur sera munie de deux soupapes de sûreté, ou plus, fermées à clef dont la construction sera approuvée par le Bureau d'inspecteurs de bateaux à vapeur, ou par le Président, si le Bureau n'est pas alors en session ; l'aire collective des dites soupapes de sûreté ne sera pas inférieure à celle spécifiée dans la table ci-jointe vis-à-vis la pression attribuée à la chaudière ; les soupapes de sûreté devraient être posées sur la chaudière, ou aussi près que possible de la chaudière, sans tuyaux, robinets, soupapes ou autres obstacles possibles entre les soupapes de sûreté et la chaudière.

Chaque inspecteur, lorsqu'il inspecte, visite ou examine la chaudière ou les machines d'un bateau à vapeur, devra s'assurer que les soupapes de sûreté y attachées sont de dimensions convenables, en nombre suffisant, bien disposées et fonctionnent bien, et ne portent que le poids nécessaire pour leur permettre de s'ouvrir à la pression ou au-dessous de la pression effective certifiée ; et, s'il le juge à propos il pourra ordonner que deux de ces soupapes de sûreté ou plus (lesquelles seront ensemble de dimensions suffisantes à laisser échapper toute la vapeur que la chaudière peut produire, et dont il approuvera la construction) soient fermées à clé et soustraites au contrôle du mécanicien lorsque la vapeur est levée ; mais le mécanicien aura accès aux soupapes de sûreté lorsque la vapeur n'est pas levée, et veillera à ce qu'elles soient tenues en bon état de fonctionnement, et le capitaine du bateau à vapeur verra à ce que le mécanicien y ait accès à cette fin, et les tienne en bon état de fonctionnement.

Les robinets et soupapes attachés aux chaudières seront solidement faits, et jamais fixés aux chaudières au moyen de vis dans la tôle, à moins que pour plus grande sûreté, des brides boulonnées ne soient ajoutées en sus de ces attaches

Aucune soupape ne devra, dans aucun cas, porter un poids, ou être arrangée de manière à assujétir la chaudière à une plus grande pression que celle permise par l'inspecteur lors de sa dernière inspection.

Chaque soupape de sûreté faite ou placée à bord d'un bateau à vapeur et attachée à une chaudière devra avoir un jeu au moins égal à un quart de son diamètre, les orifices pour le passage de la vapeur en entrant et sortant, auront chacun une aire égale à l'aire de la soupape, de même que le tuyau de renvoi d'eau, et la boîte de la soupape aura un tuyau de renvoi d'eau ; si le levier d'une soupape de sûreté n'est pas emboîté dans du cuivre, la cheville sera de cuivre,—le fer en contact avec le fer ne sera pas permis ; chaque soupape de sûreté sera munie d'un appareil de levage de manière à pouvoir le faire fonctionner avec la main, soit de la chambre de la machine soit de la cale des feux, ou par le capitaine ou personne en charge ur le pont ;

(*b.*) On ne doit pas admettre de soupapes de sûreté qui n'ont pas au moins deux pouces de diamètre, sauf dans le cas de petites chaudières dont la surface de grille a moins de quinze pieds carrés, cas où l'on peut tolérer des soupapes de sûreté d'un moindre diamètre ; mais en aucun cas ce diamètre ne doit avoir moins d'un pouce, et pourvu qu'elles soient d'une construction approuvée, et que l'aire de la soupape de sûreté soit relativement à l'aire de grille dans le rapport indiqué dans les tables d'aires de soupapes de sûreté.

(*c.*) L'aire de grille sera constatée en mesurant la longueur de la grille depuis le bord intérieur de la plaque fixe jusqu'au devant de l'arche, et la largeur d'un côté à l'autre du fourneau au-dessus des barres à leur centre.

(*d.*) L'inspecteur éprouvera les soupapes de sûreté sur les nouvelles chaudières, ou sur d'autres chaudières s'il désire les éprouver, sous pleine vapeur et feux ardents pendant au moins 15 minutes, tenant le tuyau d'alimentation arrêté, et la soupape d'arrêt fermée. Si l'accumulation de la pression excède 10 pour cent de la pression voulue, il n'accordera pas de certificat sans faire rapport au président de tous les détails de l'épreuve, et de la pression dans la chaudière ainsi qu'un dessin de la soupape de sûreté ; et un inspecteur ne devra jamais donner un certificat pour des soupapes de sûreté, sans les avoir examinées, et s'être mis au fait des détails de leur construction.

45. (*a.*) Instruction est donnée aux inspecteurs que dans toutes les nouvelles chaudières, et chaque fois que des changements peuvent facilement être faits, la boîte de soupape doit être placée directement sur la chaudière ; et le col, ou la partie de la boîte et la bride qui est attachée à la chaudière, doivent être aussi courts que possible.

(*b.*) Chaque fois qu'un inspecteur croit qu'il est positivement dangereux d'avoir une longueur de tuyaux entre les chaudières et la boîte de la soupape de sûreté, il devra de suite insister pour que les changements nécessaires soient faits avant d'accorder un certificat.

(*d.*) Lorsque des soupapes à levier sont employées la distance entre le centre de la soupape et le centre du point d'appui ne doit pas être moindre que le diamêtre de la soupape.

(*e.*) Les soupapes de sûreté doivent être placées dans des endroits convenables et d'accès facile, afin que leur ajustement et examen puissent être faits aisément et efficacement. Dans l'examen des chaudières et des machines, l'inspecteur doit surtoutporter son attention aux soupapes, et chaque fois qu'il le juge nécessaire il doit s'assurer de la pression sur la chaudière en en faisant l'épreuve. L'inspecteur doit examiner les soupapes de sûreté, les poids et les ressorts à chaque inspection.

(*f.*) Les sièges des soupapes doivent être fixés de manière à ne pas lever avec la soupape.

(*g.*) L'arbre du tiroir doit être attaché à la soupape de façon à lever en même temps que la soupape.

(*h.*) La dimension de l'acier dont est fait le ressort pour les soupapes de sûreté à ressort, se trouve au moyen de la formule suivante prise des règlements du conseil du commerce Impérial :—

$$\sqrt[3]{\frac{S \times D}{c}} = d$$

$c$ = 8,000 pour acier rond.
$c$ = 11,000 pour acier carré.
$S$ = le poids en livres sur le ressort.
$D$ = le diamètre, du ressort (d'axe en axe du fil métallique en pouces.)
$d$ = le diamètre ou côté du fil métallique, en pouces.

Le ressort doit être protégé contre la vapeur et les impuretés sortant de la chaudière, et des mesures doivent être prises pour maintenir le ressort en position sur la soupape dans le cas où il se briserait.

(*i.*) Un ressort règlementaire fait du meilleur acier carré, contient ·25 d'un pouce carré, le diamètre intérieur est de deux pouces, et le diamètre extérieur de trois pouces ; il a treize tours complets avec les bouts, et a 11½ pouces de long. Le poids effectif est placé à 600 livres, un sixième de son poids de rupture lorsqu'il est trempé à un degré justement suffisant pour le casser ; avec ce poids il doit fléchir exactement d'un pouce.

(*j.*) Pour trouver l'aire de profil pour tout autre ressort, la pression ou poids sur la soupape étant donnée ;—

600 : : 700 : ·25 : ·29=aire de profil du ressort à une charge de 700 lbs. Les autres dimensions du ressort sont dans la même proportion, le nombre de tours, treize, étant constant.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

## ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA
Tuesday, the 11th day of February, 1890.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the following proposition to be made to the Government of British Columbia, having in view an arrangement for the administration by the Province of certain mineral lands in the Railway Belt in British Columbia, namely :—

(*a.*) The Government of Canada will not hereafter make any leases or other dispositions of any minerals in the Railway Belt in British Columbia, excepting coal, other than by patent in fee simple of the lands wherein they lie, to the intent that the minerals in the said belt, other than coal, may be administered under the mining laws of the Province.

(*b.*) All lands of the Dominion which may be for sale from time to time within the Railway Belt containing minerals within the meaning of the Mineral Act (B.C.) not being Indian Reserves or Settlements or portions thereof, and not being under license or lease from the Dominion Government, shall be open to purchase by the Provincial Government at the price of $5 per acre.

(*c.*) Any lands sought to be acquired by the Provincial Government under the last clause shall be set apart from alienation by the Dominion upon the Provincial Government depositing in the Department of the Interior a written application therefor, with such a description thereof as to enable them to be identified, and thereupon the consideration money shall become payable, and in all cases where the land sought to be acquired has already been surveyed under the authority of either Government, such survey shall be accepted as conclusive and the grant issued thereon ; but where the land sought to be acquired has not been surveyed, then, before the issue of the grant, it must be surveyed at the expense of the Provincial authorities by a Dominion Land Surveyor acceptable to both Governments.

(*d.*) Nothing in this agreement shall apply to coal lands or interfere with the operation of sub section 4 of section 29 of the Dominion Lands Act.

(*e.*) The foregoing clauses of this agreement may be terminated at any time by either Government passing an Order in Council to that effect and communicating the same to the other Government.

(*f.*) It is understood that all minerals, including gold and silver, which may be in any Indian Reserve in British Columbia, shall be administered by the Indian Department and not by the Government of British Columbia.

(*g.*) The British Columbia Government shall indemnify the Dominion Government against all claims which may be presented against it by reason of any mining licenses of gold or silver heretofore issued.

7–4 Clerk, Privy Council.

Les candidats qui sont nommés par Leurs Seigneuries, et par le Secrétaire d'Etat pour les Colonies, seront obligés de passer le même examen d'épreuve dans les premiers quatre sujets et la lecture à haute voix, que les candidats qui se présentent à l'examen de concours. Ils seront aussi examinés sur les autres sujets afin de s'assurer de la somme de leurs connaissances et afin de fixer leur ordre de mérite, et nul candidat dont le chiffre collectif de points est de moins de 880 ne sera admis comme étudiant-ingénieur.

12. Les candidats seront informés par une lettre de la Commission du Service Civil, du résultat de leur examen, aussitôt que ce résultat sera connu.

13. Les candidats heureux seront inscrits comme étudiants-ingénieurs dans la marine de Sa Majesté, vers le 1er juillet de chaque année et seront portés sur les livres du vaisseau de garde de la réserve à Devonport, pour des fins de discipline. La période d'étude à l'arsenal de Sa Majesté à Devonport sera de cinq ans, mais elle sera réduite à quatre ans dans le cas des étudiants-ingénieurs du dernier service qui passent les examens décrits au paragraphe 29, clause 1, et passent aussi d'une manière honorable dans le Travail pratique, les sujets professionnels et la connaissance des devoirs de la chambre des machines mentionnés au paragraphe 32.

14. Les étudiants en construction navale au nombre de deux seulement par année seront choisis parmi les étudiants-ingénieurs qui ont fait preuve de capacité spéciale à la fin de leur troisième année de service. Les étudiants en construction navale doivent conjointement avec leurs parents ou tuteurs, fournir un cautionnement de 500*l.* d'entrer, s'ils en sont requis, au service de Sa Majesté comme aides-constructeurs, si, à l'expiration de leur cous ils obtiennent des certificats de bonne conduite et d'efficacité pour entrer dans le services. Ils continueront sous la discipline navale jusqu'à leur entrée comme aides-constructeurs. (*Voir* paragraphe 45.)

Un aide-constructeur n'aura pas la permission de quitter le service avant l'expiration de sept ans après qu'il a complété son terme au Collège Royal de Marine à Greenwich, à moins de payer la somme de £500. Le paiement de cette somme est dans le but de défrayer les frais encourus par le public pour son éducation.

15. Les étudiants en construction navale compléteront cinq ans de service à Devonport, dans l'Ecole de préparation pour les étudiants-ingénieurs, et seront assujétis aux mêmes conditions quant aux honoraires,

16. Le parent ou tuteur de chaque étudiant-ingénieur inscrit sera tenu de payer la somme de £40 par année (*voir* paragraphes 30 et 31) pour chaque année que l'étudiant restera à l'école—quatre, cinq ou six ans selon le cas. Les lords commissaires de l'Amirauté auront la faculté, toutefois, de choisir, parmi les étudiants inscrits à chaque examen annuel, un nombre, n'excédant pas cinq, étant fils d'officiers de la marine, de l'armée de terre, ou de l'armée de marine, ou des officiers civils sous le Bureau de l'Amirauté, au sujet desquels le paiement annuel ne sera que de £25 seulement. Leurs Seigneuries se réservent aussi le pouvoir de réduire encore cette dernière somme dans le cas de fils d'officiers tués ou noyés, ou qui de toute autre manière ont perdu la vie en service. En faisant leur choix, Leurs Seigneuries ne considéreront que les circonstances pécuniaires des parents ou tuteurs des étudiants.

17. Les paiements seront faits semi-annuellement, à l'avance, au caissierde l'arsenal de Sa Majesté à Devonport, le premier paiement sera fait le ou avant le 1er de juillet, date de l'inscription de l'étudiant, et les autres paiements le ou avant le 1er de janvier et le 1er de juillet. 21. Les étudiants ne perdront pas de paie lorsque en congé, ou lorsque blessés en devoir. Lorsqu'ils sont malades ou sont envoyés à l'hôpital pour des causes en dehors de leur contrôle, leur paie ne sera retranchée que s'ils sont absents six mois en tout dans toute période de douze mois. A l'expiration de ce temps un rapport spécial de chaque cas sera fait à Leurs Seigneuries. Si la maladie provient de causes sous leur contrôle leur paie sera retranchée. Si après douze mois d'absence pour cause de maladie ou de blessure les étudiants sont rapportés comme permanemment ou vraisemblablement incapables d'entrer au service de Sa Majesté comme aides-ingénieurs ou aides-constructeurs, ils seront congédiés. Si, dans le cours de son apprentissage, il se développe chez l'étudiant quelque incapacité physique qui le rende impropre au service, il sera congédié.

Ils assisteront aux écoles de l'arsenal pendant les périodes, et suivront les études qui seront fixées de temps à autre ; ils passeront aussi une partie de leur temps dans le bureau de dessin. Il leur sera fourni les moyens d'acquérir les bases fondamentales des connaissances requises d'un ingénieur naval au sujet des machines et chaudières de marine, y compris les réparations qui peuvent être faites en mer, l'usage pratique des divers instruments employés dans la chambre de la machine, aussi de la construction et fonctionnement du mécanisme de l'éclairage électrique, des torpilles et des canons, et de connaître généralement les devoirs d'un ingénieur naval.

24. Les étudiants seront examinés une fois par année sous la direction du président du Collège Royal de Marine, Greenwich.

S'ils manquent une seconde fois à la fin de la sixième année ils seront renvoyés du service. La limite de six ans ne sera jamais dépassée.

31. La paie d'un étudiant de sixième année sera la même que pour la cinquième, et le paiement à faire par le parent ou tuteur de l'étudiant dans la sixième année sera aussi le même pour la cinquième année de service.

32. L'examen des candidats à la nomination d'aides-ingénieurs stagiaires sur les sujets professionnels et la connaissance des devoirs de la chambre de la machine, sera tenu par les officiers de la Réserve assez à temps pour que le certificat D. 455 soit transmis à l'Amirauté pour le 23 de juin de chaque année. Des certificats de capacité dans la main-d'œuvre pratique, signés par l'ingénieur-chef de l'arsenal, seront aussi transmis à la même date.

Ces certificats pratiques de la Réserve et de l'arsenal seront marqués " Very Creditable," " Creditable " ou " Ordinary," suivant la capacité des candidats.

## DEMANDES AU PARLEMENT.

### Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.
JOHN GEORGE BOURINOT,

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition. pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the following proposition to be made to the Government of British Columbia, having in view an arrangement for the administration by the Province of certain mineral lands in the Railway Belt in British Columbia, namely:—

(*a.*) The Government of Canada will not hereafter make any leases or other dispositions of any minerals in the Railway Belt in British Columbia, excepting coal, other than by patent in fee simple of the lands wherein they lie, to the intent that the minerals in the said belt, other than coal, may be administered under the mining laws of the Province.

(*b.*) All lands of the Dominion which may be for sale from time to time within the Railway Belt containing minerals within the meaning of the Mineral Act (B.C.) not being Indian Reserves or Settlements or portions thereof, and not being under license or lease from the Dominion Government, shall be open to purchase by the Provincial Government at the price of $5 per acre.

(*c.*) Any lands sought to be acquired by the Provincial Government under the last clause shall be set apart from alienation by the Dominion upon the Provincial Government depositing in the Department of the Interior a written application therefor, with such a description thereof as to enable them to be identified, and thereupon the consideration money shall become payable, and in all cases where the land sought to be acquired has already been surveyed under the authority of either Government, such survey shall be accepted as conclusive and the grant issued thereon; but where the land sought to be acquired has not been surveyed, then, before the issue of the grant, it must be surveyed at the expense of the Provincial authorities by a Dominion Land Surveyor acceptable to both Governments.

(*d.*) Nothing in this agreement shall apply to coal lands or interfere with the operation of sub section 4 of section 29 of the Dominion Lands Act.

(*e.*) The foregoing clauses of this agreement may be terminated at any time by either Government passing an Order in Council to that effect and communicating the same to the other Government.

(*f.*) It is understood that all minerals, including gold and silver, which may be in any Indian Reserve in British Columbia, shall be administered by the Indian Department and not by the Government of British Columbia.

(*g.*) The British Columbia Government shall indemnify the Dominion Government against all claims which may be presented against it by reason of any mining licenses of gold or silver heretofore issued.

### NOTICE TO MARINERS.

No. 40 of 1890.

COTEAU RAILWAY BRIDGE.

The Canada Atlantic Railway Company have bridged the River St. Lawrence, between Coteau du Lac, in the County of Soulanges, and Valleyfield, in the County of Beauharnois, both in the Province of Quebec. From the westernmost extremity of Clark Island the Railway is a tangent running N. 56° 45' W. and crossing Round Island and Giroux Island, three bridges spanning Clark Island Channel, the Middle Channel and the Steamboat Channel respectively. A draw is placed in the northernmost or Steamboat Channel, the position of its centre, on Chart No. 259*a*, being, approximately—

Lat. N. 45° 15' 35"
Long. W. 74° 10' 52"

this point being distant 316 feet from the Coteau du Lac shore, and 527 feet from Giroux Island. The Chart does not, however, correctly represent the location and configuration of the shore and islands in the vicinity of the bridge.

Pilots are warned that they are liable to seriously damage either their vessels or the bridge if they attempt to enter the Steamboat channel of the Coteau Rapids, through the draw span, without observing proper precautions, and that it is especially dangerous to approach while the bridge is closed or swinging, as it requires some minutes to open the draw, and an accident to the machinery, or the crossing of a train, might delay the opening until the vessel was in the rapid water and unable to prevent a collision.

The proper course for a steamer, wishing to run the rapids, to pursue, is to stop at the Coteau Government wharf, and give three prolonged whistles, which will be the signal for opening the swing. On the top of the swing is a mast on which works a red ball 6 feet in diameter, this ball is kept at the foot of the mast when the bridge is closed and navigation impeded, and is raised to the top of the mast, about 70 feet above water, when the bridge is open for the passage of vessels. The Captain or Pilot must see that the ball is in the latter position before leaving the wharf, as until the bridge is open the ball will not be run up.

The above rule applies to all vessels, excepting boats towing rafts, which need not stop at, but must give three distinct whistles when abreast of, the wharf, if going through the bridge.

The rapids not being run after dark, or when heavy fogs occur, no lights are required on the bridge.

A notice board has been erected on the Government wharf at Coteau Landing, embodying the above arrangement, in the following terms:—

"NOTICE.

"Regulations for steamboats passing through "Canada Atlantic Railway draw bridge.

"Signal to open draw is three prolonged whistles; "steamboats must not, however, leave Coteau wharf, "until Semaphore ball is raised to *top of mast*. This "position indicates all right for passage. When ball "is down, bridge is *closed for navigation*."

This notice affects Admiralty Charts Nos. 259*a* and 797.

### AVIS AUX MARINS.

No. 40 de 1890.

### PONT DE CHEMIN DE FER AU COTEAU.

La Compagnie de chemin de fer Canada Atlantique a jeté un pont sur le fleuve Saint-Laurent, entre Coteau-du-Lac, dans le comté de Soulanges, et Valleyfield, dans le comté de Beauharnois, tous deux dans la province de Québec. A partir de l'extrémité ouest de l'île Clark le chemin de fer fait une tangente courant N. 56° 45' O. et traversant l'île Ronde et l'île Giroux ; trois ponts relient le chenal de l'île Clark, le chenal du Milieu et le chenal des Vapeurs respectivement. Un tablier mobile est placé sur le chenal le plus au nord ou des Vapeurs, la position de son centre sur la carte marine No. 259*a* étant approximativement—

Lat. N. 45° 15' 35"
Long. O. 74° 10' 52"

ce point étant à 316 pieds de la rive du Coteau-du-Lac, et à 527 pieds de l'île Giroux. Néanmoins, la carte n'indique pas exactement la position et la configuration du rivage et des îles aux environs du pont.

Les pilotes sont avertis qu'ils s'exposent à endommager sérieusement leurs vaisseaux ou le pont s'ils tentent d'entrer dans le chenal des Vapeurs des rapides du Coteau, par le pont tournant, sans prendre les précautions nécessaires, et il est surtout dangereux d'approcher lorsque le pont est fermé ou qu'il est en voie de tourner, car il faut quelques minutes pour ouvrir le tablier mobile, et un dérangement du mécanisme, ou le passage d'un convoi pourraient en retarder l'ouverture jusqu'à ce que le bateau atteigne le fort courant et alors une collision serait inévitable.

Pour un vapeur qui désire descendre les rapides, la meilleure chose à faire est d'arrêter au quai du gouvernement, au Coteau, et donner trois coups prolongés de sifflet, ce qui sera le signal d'ouvrir le pont tournant. Sur le sommet du pont tournant se trouve un mât le long duquel fonctionne une boule rouge de 6 pieds de diamètre ; cette boule est tenue au pied du mât tant que le pont est fermé et que la navigation n'est pas libre, et lorsque le pont est ouvert pour le passage des bateaux elle est hissée à la tête du mât, à environ 70 pieds au-dessus de l'eau. Avant de quitter le quai, le capitaine ou pilote doit s'assurer que la boule est hissée à la tête du mât, vu que tant que le pont n'est pas ouvert la boule ne sera pas hissée.

La règle qui précède s'applique à tous les vaisseaux, sauf les bateaux qui remorquent des trains de bois ; il n'est pas nécessaire que ces derniers arrêtent au quai, mais s'ils veulent passer le pont ils devront donner trois coups de sifflet bien distincts lorsqu'ils sont vis-à-vis le quai.

On ne descend pas les rapides quand il fait nuit ni dans les temps brumeux, en conséquence il n'est pas nécessaire de garder des lumières sur le pont.

Un écriteau a été placé sur le quai du gouvernement à Coteau Landing, expliquant l'arrangement ci-dessus dans les termes suivants :—

" AVIS.

" Règlements pour les vapeurs passant par le pont tournant du chemin de fer Canada Atlantique.

" Le signal pour ouvrir le pont est trois longs coups de sifflet ; toutefois, les vapeurs ne doivent pas quitter le quai du Coteau avant que la boule rouge soit hissée en *tête du mât.* Cette position indique que le passage est libre. Lorsque la boule est en bas, le pont est *fermé à la navigation.*

Cet avis affecte les cartes de l'Amirauté Nos. 259*a* et 797.

WM. SMITH,
Sous-ministre de la Marine.

☞Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au " Sous-ministre de la marine, Ottawa, Canada." 9–3

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the following proposition to be made to the Government of British Columbia, having in view an arrangement for the administration by the Province of certain mineral lands in the Railway Belt in British Columbia, namely:—

(*a*.) The Government of Canada will not hereafter make any leases or other dispositions of any minerals in the Railway Belt in British Columbia, excepting coal, other than by patent in fee simple of the lands wherein they lie, to the intent that the minerals in the said belt, other than coal, may be administered under the mining laws of the Province.

(*b*.) All lands of the Dominion which may be for sale from time to time within the Railway Belt containing minerals within the meaning of the Mineral Act (B.C.) not being Indian Reserves or Settlements or portions thereof, and not being under license or lease from the Dominion Government, shall be open to purchase by the Provincial Government at the price of $5 per acre.

(*c*.) Any lands sought to be acquired by the Provincial Government under the last clause shall be set apart from alienation by the Dominion upon the Provincial Government depositing in the Department of the Interior a written application therefor, with such a description thereof as to enable them to be identified, and thereupon the consideration money shall become payable, and in all cases where the land sought to be acquired has already been surveyed under the authority of either Government, such survey shall be accepted as conclusive and the grant issued thereon; but where the land sought to be acquired has not been surveyed, then, before the issue of the grant, it must be surveyed at the expense of the Provincial authorities by a Dominion Land Surveyor acceptable to both Governments.

(*d.*) Nothing in this agreement shall apply to coal lands or interfere with the operation of sub section 4 of section 29 of the Dominion Lands Act.

(*e.*) The foregoing clauses of this agreement may be terminated at any time by either Government passing an Order in Council to that effect and communicating the same to the other Government.

(*f.*) It is understood that all minerals, including gold and silver, which may be in any Indian Reserve in British Columbia, shall be administered by the Indian Department and not by the Government of British Columbia.

(*g.*) The British Columbia Government shall indemnify the Dominion Government against all claims which may be presented against it by reason of any mining licenses of gold or silver heretofore issued.

this point being distant 316 feet from the Coteau du Lac shore, and 527 feet from Giroux Island. The Chart does not, however, correctly represent the location and configuration of the shore and islands in the vicinity of the bridge.

Pilots are warned that they are liable to seriously damage either their vessels or the bridge if they attempt to enter the Steamboat channel of the Coteau Rapids, through the draw span, without observing proper precautions, and that it is especially dangerous to approach while the bridge is closed or swinging, as it requires some minutes to open the draw, and an accident to the machinery, or the crossing of a train, might delay the opening until the vessel was in the rapid water and unable to prevent a collision.

The proper course for a steamer, wishing to run the rapids, to pursue, is to stop at the Coteau Government wharf, and give three prolonged whistles, which will be the signal for opening the swing. On the top of the swing is a mast on which works a red ball 6 feet in diameter, this ball is kept at the foot of the mast when the bridge is closed and navigation impeded, and is raised to the top of the mast, about 70 feet above water, when the bridge is open for the passage of vessels. The Captain or Pilot must see that the ball is in the latter position before leaving the wharf, as until the bridge is open the ball will not be run up.

The above rule applies to all vessels, excepting boats towing rafts, which need not stop at, but must give three distinct whistles when abreast of, the wharf, if going through the bridge.

The rapids not being run after dark, or when heavy fogs occur, no lights are required on the bridge.

A notice board has been erected on the Government wharf at Coteau Landing, embodying the above arrangement, in the following terms:—

"NOTICE.

"Regulations for steamboats passing through "Canada Atlantic Railway draw bridge.

"Signal to open draw is three prolonged whistles; "steamboats must not, however, leave Coteau wharf, "until Semaphore ball is raised to *top of mast.* This "position indicates all right for passage. When ball "is down, bridge is *closed for navigation.*"

This notice affects Admiralty Charts Nos. 259*a* and 797.

SACHEZ maintenant que par et en vertu de l'autorité que Nous confèrent les dits acte et arrêté en conseil respectivement, Nous proclamons et déclarons que le dit acte devra désormais s'appliquer au port de West Arichat, dans le comté de Richmond, dans la province de la Nouvelle-Ecosse.

De ce qui précède, Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. ## AVIS DU GOUVERNEMENT.

### AVIS AUX MARINS.

No. 40 de 1890.

### PONT DE CHEMIN DE FER AU COTEAU.

La Compagnie de chemin de fer Canada Atlantique a jeté un pont sur le fleuve Saint-Laurent, entre Coteau-du-Lac, dans le comté de Soulanges, et Valleyfield, dans le comté de Beauharnois, tous deux dans la province de Québec. A partir de l'extrémité ouest de l'île Clark le chemin de fer fait une tangente courant N. 56° 45' O. et traversant l'île Ronde et l'île Giroux ; trois ponts relient le chenal de l'île Clark, le chenal du Milieu et le chenal des Vapeurs respectivement. Un tablier mobile est placé sur le chenal le plus au nord ou des Vapeurs, la position de son centre sur la carte marine No. 259*a* étant approximativement—

Lat. N. 45° 15' 35"
Long. O. 74° 10' 52"

ce point étant à 316 pieds de la rive du Coteau-du-Lac, et à 527 pieds de l'île Giroux. Néanmoins, la carte n'indique pas exactement la position et la configuration du rivage et des îles aux environs du pont.

Les pilotes sont avertis qu'ils s'exposent à endommager sérieusement leurs vaisseaux ou le pont s'ils tentent d'entrer dans le chenal des Vapeurs des rapides du Coteau, par le pont tournant, sans prendre les précautions nécessaires, et il est surtout dangereux d'approcher lorsque le pont est fermé ou qu'il est en voie de tourner, car il faut quelques minutes pour ouvrir le tablier mobile, et un dérangement du mécanisme, ou le passage d'un convoi pourraient en retarder l'ouverture jusqu'à ce que le bateau atteigne le fort courant et alors une collision serait inévitable.

Pour un vapeur qui désire descendre les rapides, la meilleure chose à faire est d'arrêter au quai du gouvernement, au Coteau, et donner trois coups prolongés de sifflet, ce qui sera le signal d'ouvrir le pont tournant. Sur le sommet du pont tournant se trouve un mât le long duquel fonctionne une boule rouge de 6 pieds de diamètre ; cette boule est tenue au pied du mât tant que le pont est fermé et que la navigation n'est pas libre, et lorsque le pont est ouvert pour le passage des bateaux elle est hissée à la tête du mât, à environ 70 pieds au-dessus de l'eau. Avant de quitter le quai, le capitaine ou pilote doit s'assurer que la boule est hissée à la tête du mât, vu que tant que le pont n'est pas ouvert la boule ne sera pas hissée.

La règle qui précède s'applique à tous les vaisseaux, sauf les bateaux qui remorquent des trains de bois ; il n'est pas nécessaire que ces derniers arrêtent au quai, mais s'ils veulent passer le pont ils devront donner trois coups de sifflet bien distincts lorsqu'ils sont vis-à-vis le quai.

On ne descend pas les rapides quand il fait nuit ni dans les temps brumeux, en conséquence il n'est pas nécessaire de garder des lumières sur le pont.

Un écriteau a été placé sur le quai du gouvernement à Coteau Landing, expliquant l'arrangement ci-dessus dans les termes suivants :—

"AVIS.

"Règlements pour les vapeurs passant par le pont tournant du chemin de fer Canada Atlantique.

"Le signal pour ouvrir le pont est trois longs coups de sifflet ; toutefois, les vapeurs ne doivent pas quitter le quai du Coteau avant que la boule rouge soit hissée en *tête du mât*. Cette position indique que le passage est libre. Lorsque la boule est en bas, le pont est *fermé à la navigation.*

Cet avis affecte les cartes de l'Amirauté Nos. 259*a* et 797.

WM. SMITH,
Sous-ministre de la Marine.

Ministère de la Marine,
Ottawa, 18 août 1890.

☞ Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la marine, Ottawa, Canada." 9–3

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

a moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

## NOTICE TO MARINERS.

### No. 40 of 1890.

### COTEAU RAILWAY BRIDGE.

The Canada Atlantic Railway Company have bridged the River St. Lawrence, between Coteau du Lac, in the County of Soulanges, and Valleyfield, in the County of Beauharnois, both in the Province of Quebec. From the westernmost extremity of Clark Island the Railway is a tangent running N. 56° 45' W. and crossing Round Island and Giroux Island, three bridges spanning Clark Island Channel, the Middle Channel and the Steamboat Channel respectively. A draw is placed in the northernmost or Steamboat Channel, the position of its centre, on Chart No. 259*a*, being, approximately—

Lat. N. 45° 15' 35"
Long. W. 74° 10' 52"

this point being distant 316 feet from the Coteau du Lac shore, and 527 feet from Giroux Island. The Chart does not, however, correctly represent the location and configuration of the shore and islands in the vicinity of the bridge.

Pilots are warned that they are liable to seriously damage either their vessels or the bridge if they attempt to enter the Steamboat channel of the Coteau Rapids, through the draw span, without observing proper precautions, and that it is especially dangerous to approach while the bridge is closed or swinging, as it requires some minutes to open the draw, and an accident to the machinery, or the crossing of a train, might delay the opening until the vessel was in the rapid water and unable to prevent a collision.

The proper course for a steamer, wishing to run the rapids, to pursue, is to stop at the Coteau Government wharf, and give three prolonged whistles, which will be the signal for opening the swing. On the top of the swing is a mast on which works a red ball 6 feet in diameter, this ball is kept at the foot of the mast when the bridge is closed and navigation impeded, and is raised to the top of the mast, about 70 feet above water, when the bridge is open for the passage of vessels. The Captain or Pilot must see that the ball is in the latter position before leaving the wharf, as until the bridge is open the ball will not be run up.

The above rule applies to all vessels, excepting boats towing rafts, which need not stop at, but must give three distinct whistles when abreast of, the wharf, if going through the bridge.

The rapids not being run after dark, or when heavy fogs occur, no lights are required on the bridge.

A notice board has been erected on the Government wharf at Coteau Landing, embodying the above arrangement, in the following terms :—

"NOTICE.

"Regulations for steamboats passing through "Canada Atlantic Railway draw bridge.

"Signal to open draw is three prolonged whistles; "steamboats must not, however, leave Coteau wharf, "until Semaphore ball is raised to *top of mast*. This "position indicates all right for passage. When ball "is down, bridge is *closed for navigation*."

This notice affects Admiralty Charts Nos. 259*a* and 797.

## AVIS AUX MARINS.

### No. 40 de 1890.

### PONT DE CHEMIN DE FER AU COTEAU.

La Compagnie de chemin de fer Canada Atlantique a jeté un pont sur le fleuve Saint-Laurent, entre Coteau-du-Lac, dans le comté de Soulanges, et Valleyfield, dans le comté de Beauharnois, tous deux dans la province de Québec. A partir de l'extrémité ouest de l'île Clark le chemin de fer fait une tangente courant N. 56° 45' O. et traversant l'île Ronde et l'île Giroux ; trois ponts relient le chenal de l'île Clark, le chenal du Milieu et le chenal des Vapeurs respectivement. Un tablier mobile est placé sur le chenal le plus au nord ou des Vapeurs, la position de son centre sur la carte marine No. 259*a* étant approximativement—

Lat. N. 45° 15' 35"
Long. O. 74° 10' 52"

ce point étant à 316 pieds de la rive du Coteau-du-Lac, et à 527 pieds de l'île Giroux. Néanmoins, la carte n'indique pas exactement la position et la configuration du rivage et des îles aux environs du pont.

Les pilotes sont avertis qu'ils s'exposent à endommager sérieusement leurs vaisseaux ou le pont s'ils tentent d'entrer dans le chenal des Vapeurs des rapides du Coteau, par le pont tournant, sans prendre les précautions nécessaires, et il est surtout dangereux d'approcher lorsque le pont est fermé ou qu'il est en voie de tourner, car il faut quelques minutes pour ouvrir le tablier mobile, et un dérangement du mécanisme, ou le passage d'un convoi pourraient en retarder l'ouverture jusqu'à ce que le bateau atteigne le fort courant et alors une collision serait inévitable.

Pour un vapeur qui désire descendre les rapides, la meilleure chose à faire est d'arrêter au quai du gouvernement, au Coteau, et donner trois coups prolongés de sifflet, ce qui sera le signal d'ouvrir le pont tournant. Sur le sommet du pont tournant se trouve un mât le long duquel fonctionne une boule rouge de 6 pieds de diamètre ; cette boule est tenue au pied du mât tant que le pont est fermé et que la navigation n'est pas libre, et lorsque le pont est ouvert pour le passage des bateaux elle est hissée à la tête du mât, à environ 70 pieds au-dessus de l'eau. Avant de quitter le quai, le capitaine ou pilote doit s'assurer que la boule est hissée à la tête du mât, vu que tant que le pont n'est pas ouvert la boule ne sera pas hissée.

La règle qui précède s'applique à tous les vaisseaux, sauf les bateaux qui remorquent des trains de bois ; il n'est pas nécessaire que ces derniers arrêtent au quai, mais s'ils veulent passer le pont ils devront donner trois coups de sifflet bien distincts lorsqu'ils sont vis-à-vis le quai.

On ne descend pas les rapides quand il fait nuit ni dans les temps brumeux, en conséquence il n'est pas nécessaire de garder des lumières sur le pont.

Un écriteau a été placé sur le quai du gouvernement à Coteau Landing, expliquant l'arrangement ci-dessus dans les termes suivants :—

"AVIS.

"Règlements pour les vapeurs passant par le pont tournant du chemin de fer Canada Atlantique.

"Le signal pour ouvrir le pont est trois longs coups de sifflet ; toutefois, les vapeurs ne doivent pas quitter le quai du Coteau avant que la boule rouge soit hissée en *tête du mât.* Cette position indique que le passage est libre. Lorsque la boule est en bas, le pont est *fermé à la navigation.*

Cet avis affecte les cartes de l'Amirauté Nos. 259*a* et 797.

WM. SMITH,
Sous-ministre de la Marine.

Ministère de la Marine,
Ottawa, 18 août 1890.

☞Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la marine, Ottawa, Canada." 9-3

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

## SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada,* et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

### II. ROCKY PATCH OFF CROKER POINT.

Information has been received from Rear-Admiral Chas. F. Hotham, R. N., Commander-in-Chief on the Pacific station, of the discovery by H. M. S. ## AVIS DU GOUVERNEMENT.

### AVIS AUX MARINS.

No. 42 de 1890.

### BATEAUX-PHARES À LA POINTE-AUX-TREMBLES ET À SAINTE-CROIX.

Le 6 courant, deux goélettes ont été ancrées dans le fleuve Saint-Laurent, en amont de Québec, dans le but de servir temporairement comme bateaux-phares pour mieux indiquer le chenal des navires, et la meilleure eau pour les navires d'un fort tirant, passé les battures des Trembles et de Paget.

Chaque goélette est peinturée en noir, et porte le mot "Lightship" en lettres blanches sur chaque côté, et exhibe un feu rouge fixe d'une lanterne placée à 36 pieds au-dessus de l'eau, et un feu blanc fixe d'une lanterne placée à 26 pieds au-dessus de l'eau. Ces feux devraient être visibles de tous les points de l'horizon, à moins d'être partiellement interceptés par des mâts et agrès, à une distance de 10 milles. Une boule rouge est aussi hissée à la tête d'un grand mât, et si, pour une cause quelconque, le bateau-phare s'éloignait de sa station, la boule sera baissée et les feux distinctifs ne seront pas exhibés.

Le bateau-phare de la Pointe-aux-Trembles est ancré dans 7 brasses d'eau au large de l'extrémité sud-est de la batture des Trembles, et de là l'église de la Pointe-aux-Trembles est dans une direction N. O., et l'église de Saint-Antoine dans une direction S. O. ½ O.

## AVIS AUX MARINS.

### No. 44 de 1890.

## CHANGEMENT DANS LA NATURE DES FEUX DES BOUÉES À GAZ DE LA BATTURE DE BEAUJEU.

Le 10 courant la nature de la lumière exhibée par la bouée à gaz sur l'extrémité ouest de la batture de Beaujeu, dans le fleuve Saint-Laurent en bas de Québec, a été changée de blanche fixe à blanche occultante ; la période de l'occultation étant d'environ 6 secondes.

La nature de la lumière exhibée par la bouée à gaz sur l'extrémité est de la batture de Beaujeu a été en même temps changée de blanche fixe à rose fixe.

Ces changements ont été faits dans le but de mieux distinguer ces feux de bouée d'avec les feux des divers petits bateaux qui mouillent dans le voisinage.

## DEMANDES AU PARLEMENT.

### Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

*(a.)* Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

*(b.)* Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

## AVIS AUX MARINS.

No. 42 de 1890.

### BATEAUX-PHARES À LA POINTE-AUX-TREMBLES ET À SAINTE-CROIX.

Le 6 courant, deux goélettes ont été ancrées dans le fleuve Saint-Laurent, en amont de Québec, dans le but de servir temporairement comme bateaux-phares pour mieux indiquer le chenal des navires, et la meilleure eau pour les navires d'un fort tirant, passé les battures des Trembles et de Paget.

Chaque goélette est peinturée en noir, et porte le mot "Lightship" en lettres blanches sur chaque côté, et exhibe un feu rouge fixe d'une lanterne placée à 36 pieds au-dessus de l'eau, et un feu blanc fixe d'une lanterne placée à 26 pieds au-dessus de l'eau. Ces feux devraient être visibles de tous les points de l'horizon, à moins d'être partiellement interceptés par des mâts et agrès, à une distance de 10 milles. Une boule rouge est aussi hissée à la tête d'un grand mât, et si, pour une cause quelconque, le batean-phare s'éloignait de sa station, la boule sera baissée et les feux distinctifs ne seront pas exhibés.

Le bateau-phare de la Pointe-aux-Trembles est ancré dans 7 brasses d'eau au large de l'extrémité sud-est de la batture des Trembles, et de là l'église de la Pointe-aux-Trembles est dans une direction N. O., et l'église de Saint-Antoine dans une direction S. O. ½ O.

Lat. N. 46° 41' 10"
Long. O. 71° 33' 20"

Le bateau-phare de Sainte-Croix est ancré dans 4 brasses d'eau au large de l'extrémité ouest de la batture de Paget, ou des Ecureuils, et de là l'église des Ecureuils est dans une direction N. E. ¼ N. et l'église de Sainte-Croix dans une direction S. O. par S.

Lat. N. 49° 38' 36"
Long. O. 71° 44' 0"

Cet avis affecte les cartes de l'Amirauté Nos. 797 et 2,830*a*, et devrait en substance être inséré dans la Liste des phares canadiens sous les Nos. 66*g* et 67*a*.

Ottawa, Canada, 10 septembre 1890.

☞Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine, Ottawa, Canada." 13–3

## AVIS AUX MARINS.

### No. 44 de 1890.

### CHANGEMENT DANS LA NATURE DES FEUX DES BOUÉES À GAZ DE LA BATTURE DE BEAUJEU.

Le 10 courant la nature de la lumière exhibée par la bouée à gaz sur l'extrémité ouest de la batture de Beaujeu, dans le fleuve Saint-Laurent en bas de Québec, a été changée de blanche fixe à blanche occultante ; la période de l'occultation étant d'environ 6 secondes.

La nature de la lumière exhibée par la bouée à gaz sur l'extrémité est de la batture de Beaujeu a été en même temps changée de blanche fixe à rose fixe.

Ces changements ont été faits dans le but de mieux distinguer ces feux de bouée d'avec les feux des divers petits bateaux qui mouillent dans le voisinage.

Cet avis affecte des cartes de l'Amirauté nos 310, 316, 318 et 2516, et la liste des phares canadiens et signaux de brume nos 59a et 59b.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

## ORDRES EN CONSEIL.

### HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de septembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que vu le manque de facilités de communication par chemins de fer pour le transport du poisson après la clôture de la navigation, dans les comtés de Gaspé et Bonaventure, et l'impossibilité de se livrer à la pêche au moyen de filets en forme de sac dans les rivières des comtés ci-dessus mentionnés, les habitants sont privés de la jouissance des avantages et des profits résultant de la pêche à l'éperlan ;

Et attendu que permission a été accordée pendant la dernière saison aux pêcheurs des dits comtés de se servir de seines pour la pêche à l'éperlan, à partir du mois d'octobre jusqu'à la clôture de la navigation ;

Il plaît, en conséquence, à Son Excellence, en vertu des pouvoirs à lui conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Revisés, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans les circonstances exceptionnelles et vu la situation isolée des dits pêcheurs, l'usage des seines pour la pêche à l'éperlan soit et il est par le présent permis, à partir du 1er jour d'octobre jusqu'à la clôture de la navigation de chaque année, en vertu de permis spéciaux du ministre de la Marine et des Pêcheries, dans les limites du comté de Gaspé et dans les parties du comté de Bonaventure qui sont sans communications par chemin de fer, à la condition toujours que lors du prolongement du chemin de fer de la Baie des Chaleurs maintenant en construction, les endroits qui se raccorderont de temps à autre au réseau de chemins de fer du Canada, deviendront sujets aux règlements maintenant en force concernant la pêche à l'éperlan dans la Puissance.

Il plaît en outre à Son Excellence, en vertu des pouvoirs ci-haut cités, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la pêche à l'éperlan au moyen de filets en forme de sacs, qui est actuellement permise, en vertu de licences du ministre de la Marine et des Pêcheries, soit et elle est par le présent défendue, dans les limites ci-dessus mentionnées, sous les mêmes conditions et sujette à la même disposition quant à ce qui regarde le prolongement du chemin de fer tel que susdit, la dite défense devra être levée dans les endroits où le privilège de pêcher au moyen de seines cesse par le prolongement de facilités de communication par chemin de fer.

## AVIS AUX MARINS.

No. 42 de 1890.

### BATEAUX-PHARES À LA POINTE-AUX-TREMBLES ET À SAINTE-CROIX.

Le 6 courant, deux goélettes ont été ancrées dans le fleuve Saint-Laurent, en amont de Québec, dans le but de servir temporairement comme bateaux-phares pour mieux indiquer le chenal des navires, et la meilleure eau pour les navires d'un fort tirant, passé les battures des Trembles et de Paget.

Chaque goélette est peinturée en noir, et porte le mot “Lightship” en lettres blanches sur chaque côté, et exhibe un feu rouge fixe d'une lanterne placée à 36 pieds au-dessus de l'eau, et un feu blanc fixe d'une lanterne placée à 26 pieds au-dessus de l'eau. Ces feux devraient être visibles de tous les points de l'horizon, à moins d'être partiellement interceptés par des mâts et agrès, à une distance de 10 milles. Une boule rouge est aussi hissée à la tête d'un grand mât, et si, pour une cause quelconque, le bateau-phare s'éloignait de sa station, la boule sera baissée et les feux distinctifs ne seront pas exhibés.

Le bateau-phare de la Pointe-aux-Trembles est ancré dans 7 brasses d'eau au large de l'extrémité sud-est de la batture des Trembles, et de là l'église de la Pointe-aux-Trembles est dans une direction N. O., et l'église de Saint-Antoine dans une direction S. O. ½ O.

## AVIS AUX MARINS.

No. 44 de 1890.

### CHANGEMENT DANS LA NATURE DES FEUX DES BOUÉES À GAZ DE LA BATTURE DE BEAUJEU.

Le 10 courant la nature de la lumière exhibée par la bouée à gaz sur l'extrémité ouest de la batture de Beaujeu, dans le fleuve Saint-Laurent en bas de Québec, a été changée de blanche fixe à blanche occultante ; la période de l'occultation étant d'environ 6 secondes.

La nature de la lumière exhibée par la bouée à gaz sur l'extrémité est de la batture de Beaujeu a été en même temps changée de blanche fixe à rose fixe.

Ces changements ont été faits dans le but de mieux distinguer ces feux de bouée d'avec les feux des divers petits bateaux qui mouillent dans le voisinage.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Británnique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Greffier du Sénat.

### SHOAL OFF MIQUELON.

Captain Maréchal, commanding the French Naval Division of Newfoundland, has communicated the existence of a dangerous shoal with only 13 feet water on it 1½ miles from land, west of the French Island of Miquelon, south of Newfoundland, in the Atlantic Ocean.

Lat. N. 47° 4' 10"
Long. W. 56° 25' 16"

From the shoal the Lighthouse on Cap Blanc, Miquelon, bears N. E. ½ E., and the Chapeau de Miquelon, E. by S. ⅛ S.

This shoal generally known by the fishermen under the name of "Briand Shoal," is the most dangerous on account of its extremely small size, and because it is in the immediate vicinity of soundings of 11 fathoms.

This notice affects Admiralty Charts Nos. 232*a*, 303, 893 and 2516.

A survey of the shoal in the First Narrows of Burrard Inlet, in the approach to Vancouver Harbour, British Columbia, described in Notice to Mariners No. 46 of 1890, and on which the S.S. "Parthia" touched on the 21st June, was made on the 5th instant, and the shoal was found to be nearly circular in shape and about 1⅕ cables in diameter inside a five fathom line. The middle of the shoal as located on Admiralty chart 922 is in

Lat. N. 49° 18' 8"
Long. W. 123° 6' 23"

From the west edge of the shoal Brockton Point bears S. E. by E. ¾ E.; from its eastern edge the same Point bears S. E. ½ S., and from its northern edge, the extremity of Coal Peninsula, at the entrance to the Narrows bears W. ½ N.

The soundings show no diminution of water south of the shoal, but to the northward the water is somewhat shoaler than shown on the charts.

This notice affects Admiralty charts Nos. 922, 1917, 1922 and 2689.

### HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de septembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que vu le manque de facilités de communication par chemins de fer pour le transport du poisson après la clôture de la navigation, dans les comtés de Gaspé et Bonaventure, et l'impossibilité de se livrer à la pêche au moyen de filets en forme de sac dans les rivières des comtés ci-dessus mentionnés, les habitants sont privés de la jouissance des avantages et des profits résultant de la pêche à l'éperlan ;

Et attendu que permission a été accordée pendant la dernière saison aux pêcheurs des dits comtés de se servir de seines pour la pêche à l'éperlan, à partir du 16 d'octobre jusqu'à la clôture de la navigation ;

Il plaît, en conséquence, à Son Excellence, en vertu des pouvoirs à lui conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Revisés, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans les circonstances exceptionnelles et vu la situation isolée des dits pêcheurs, l'usage des seines pour la pêche à l'éperlan soit et il est par le présent permis, à partir du 1er jour d'octobre jusqu'à la clôture de la navigation de chaque année, en vertu de permis spéciaux du ministre de la Marine et des Pêcheries, dans les limites du comté de Gaspé et dans les parties du comté de Bonaventure qui sont sans communications par chemin de fer, à la condition toujours que lors du prolongement du chemin de fer de la Baie des Chaleurs maintenant en construction, les endroits qui se raccorderont de temps à autre au réseau de chemins de fer du Canada, deviendront sujets aux règlements maintenant en force concernant la pêche à l'éperlan dans la Puissance.

Il plaît en outre à Son Excellence, en vertu des pouvoirs ci-haut cités, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la pêche à l'éperlan au moyen de filets en forme de sacs, qui est actuellement permise, en vertu de licences du ministre de la Marine et des Pêcheries, soit et elle est par le présent défendue, dans les limites ci-dessus mentionnées, sous les mêmes conditions et sujette à la même disposition quant à ce qui regarde le prolongement du chemin de fer tel que susdit, la dite défense devant être levée dans les endroits où le privilège de pêcher au moyen de seines cesse par le prolongement de facilités de communication par chemin de fer.

## DEMANDES AU PARLEMENT.

### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

*Dans les provinces de Quebec et du Manitoba.*

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

*Dans les autres provinces ou territoires.*

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

### RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le traité du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

## HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de septembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que vu le manque de facilités de communication par chemins de fer pour le transport du poisson après la clôture de la navigation, dans les comtés de Gaspé et Bonaventure, et l'impossibilité de se livrer à la pêche au moyen de filets en forme de sac dans les rivières des comtés ci-dessus mentionnés, les habitants sont privés de la jouissance des avantages et des profits résultant de la pêche à l'éperlan ;

Et attendu que permission a été accordée pendant la dernière saison aux pêcheurs des dits comtés de se servir de seines pour la pêche à l'éperlan, à partir du 16 d'octobre jusqu'à la clôture de la navigation ;

Il plaît, en conséquence, à Son Excellence, en vertu des pouvoirs à lui conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Revisés, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que dans les circonstances exceptionnelles et vu la situation isolée des dits pêcheurs, l'usage des seines pour la pêche à l'éperlan soit et il est par le présent permis, à partir du 1er jour d'octobre jusqu'à la clôture de la navigation de chaque année, en vertu de permis spéciaux du ministre de la Marine et des Pêcheries, dans les limites du comté de Gaspé et dans les parties du comté de Bonaventure qui sont sans communications par chemin de fer, à la condition toujours que lors du prolongement du chemin de fer de la Baie des Chaleurs maintenant en construction, les endroits qui se raccorderont de temps à autre au réseau de chemins de fer du Canada, deviendront sujets aux règlements maintenant en force concernant la pêche à l'éperlan dans la Puissance.

Il plaît en outre à Son Excellence, en vertu des pouvoirs ci-haut cités, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que la pêche à l'éperlan au moyen de filets en forme de sacs, qui est actuellement permise, en vertu de licences du ministre de la Marine et des Pêcheries, soit et elle est par le présent défendue, dans les limites ci-dessus mentionnées, sous les mêmes conditions et sujette à la même disposition quant à ce qui regarde le prolongement du chemin de fer tel que susdit, la dite défense devant être levée dans les endroits où le privilège de pêcher au moyen de seines cesse par le prolongement de facilités de communication par chemin de fer.
